

Green box – for your recycling

Simply place all of items below loose in your green box:

Yes please:

- household plastics – plastic tubs, yoghurt pots and packaging of any colour
- cartons – drink, soup and juice cartons
- plastic bottles – milk bottles, shampoo bottles, drink bottles, other bottles
- cardboard – boxes, corrugated card and greeting cards
- paper – newspapers, magazines, catalogues, yellow pages (remove plastic sleeves), envelopes (including windows)
- glass – jars and bottles
- cans – food, pet and drink cans and tins (please rinse), foil, empty aerosol cans

No thanks:

- no food or liquid waste
- foil-lined packets – no crisp packets or sweet wrappers
- no crockery, light bulbs, glass sheets, wood, batteries
- no paint tins or any other metals
- no broken glass

Composting counts – green waste

To recycle your green waste simply put it in your green waste bag or an open sack/bag. Place it out with the rest of your recycling and rubbish on your collection day.

Yes please:

- grass clippings
- tree branches (small)
- garden weeds
- leaves
- plants and prunings
- hedge trimmings

No thanks:

- no food waste
- no soil
- no tree branches (large) or timber
- no bricks or rubble
- no plastic plant pots or plastic bags

Scrape the plate – food waste

Cooked and uncooked food can be recycled in your brown food container. Please remember to leave your brown food container with the handle upright as this locks the bin.

Yes please:

- meat and fish scraps (cooked and uncooked)
- fruit and vegetable peelings eggs and egg shells
- dairy products
- cut flowers
- no tea bags or coffee grinds
